Heating Instructions: MICROWAVE: Wrap each tamale in a damp paper towel and place on a microwave safe plate. Microwave for 1-1:15 minutes until hot. If tamale is frozen, microwave 1 additional minute. Remove from microwave and let stand 1 minute. Remove tamale from corn husk and enjoy. **STEAM METHOD:** Place tamale in steamer basket over boiling water. Steam 8-10 minutes. If tamale is frozen, steam for an additional 2 minutes. Remove from steam basket and let stand 1-2 minutes. Remove tamale from corn husk and enjoy.
